Internet research grant 2026/27

About this grant

InternetNZ | Ipurangi Aotearoa manages .nz domains on behalf of all New Zealanders and works to build a better online Aotearoa.

Through this form, we invite expressions of interest for research projects focused on Internet-related topics and issues. Please provide a brief overview of your proposal. You may be invited to submit a full proposal at a later date.

Refer to our website for more information and assessment criteria: **<https://internetnz.nz/funding/grants/current-grants/>**

If you need further guidance or if you have any accessibility issues, get in touch with us by emailing **funding@internetnz.net.nz**.

Privacy notice

InternetNZ pledges to respect and uphold your rights to privacy protection under the Information Privacy Principles as established under the Privacy Act 2020.

Disclosure and declaration

* indicates a required field

Disclosure

Please provide details of any relationship you have with the InternetNZ Group or with individuals involved in our organisations. All work-related and personal relationships, including membership or previous funding from InternetNZ, must be declared.

Declaration

This declaration and authorisation relates to information in this application that InternetNZ may hold about your organisation/group now or in the future.

This section must be completed by an appropriately authorised person on behalf of the applicant organisation (may be different to the contact person listed earlier in this application form).

In making this declaration I declare that:

- this application has been submitted with the full knowledge and agreement of the management/governance of my organisation/group (where relevant);
- the information supplied in this application and any attachments is true and factual.

I authorise InternetNZ to:

- use the information supplied as part of this application and any attachments for the purposes of administration and consideration of this application;
- use and store the information supplied for the purposes of reporting and research to improve and inform InternetNZ's grant making;
